Drawing for Wetland Conservation Competition

Objectives

The Competition is organised by Hong Kong Wetland Park, Agriculture, Fisheries and Conservation Department (the 'organiser'). The main theme of the competition is "Healthy Wetlands, Healthy People", which is also the theme of World Wetlands Day 2008. We encourage students to take a closer look at the wetland plants and animals and present the vibrant wetlands to public through their drawings. They can also leave a message on their masterpiece to encourage public to protect Hong Kong's wetland. The winning masterpieces will be used to produce calendar for 2008 to further convey the message on wetland conservation.

Entry Requirement

Holder of valid Hong Kong student ID card.

Categories

Secondary Groups - Secondary 4 to 7
- Secondary 1 to 3

Primary Groups - Primary 4 to 6
